Dear Hiring manager,

I am submitting my resume for consideration for the summer application design internship program at OCAC
Given the skills and

experience outlined in my enclosed resume, I believe I will be a worthy asset to your team.

In my three years at ABIT college, I've completed a great deal of coursework on cutting-edge design trends and best practices including

Principles of User Experience Design and Mobile Application Design where I learned and applied skills such as user journey mapping,

application wireframing and designing software for a variety of mobile devices and operating systems.

In addition, I spent the past term volunteering my time with a local non-profit that collects donated clothes and redistributes it to

families in need. I helped the web team update and re-launch an application that allows people in the community to locate nearby drop-

off points and schedule pick-ups.

Volunteering with the non-profit has also taught me the importance of building a convenient and memorable consumer experience that aligns with the brand. It also helped me grow my skills in team collaboration, verbal communication and project leadership.

The enclosed resume provides more details of my skills and achievement track record. I believe that I would be an asset to your program. This internship would provide me with the ideal opportunity to assist your organization and to expand my research skills, please feel free to call me at 6370864981 or email me at ashishkumarsahoo39@gmail.com. I know you are busy, so thank you for your time, and I look forward to speaking with you.

Thank you

Sincerely,
